[Shell Violated Air Permits for Arctic Ships, EPA Says](#)
[New York Times \(blog\)](#)
The Environmental Protection Agency says that Shell committed numerous violations of the air pollution permits for its two Arctic drill ships, adding to the company's catalog of Alaskan offshore woes. Salvage teams conducting an assessment of Shell's ...

[Fracking Industry Calls Foul on EPA Extension](#)
[National Review Online \(blog\)](#)
Yesterday, the Environmental Protection Agency unexpectedly extended the public-comments period for its report on fracking and water contamination in Pavillion, Wyo. Industry groups tell me they're skeptical about the motives behind this decision. If ...

[Obama EPA Forces Company to Cut Jobs, Spend \\$6 million on Green Agenda](#)
[RedState](#)
A settlement forced by the Obama Administration's Environmental Protection Agency on a Wisconsin power company has forced an employer to prepare to cut jobs and spend millions paying for the Obama Administration's green energy agenda. The EPA has ...

[EPA's Jackson Leaves Legacy of Higher Costs, Less Consumer Choice](#)
[Heritage.org \(blog\)](#)
Of the hundreds of EPA regulations under Jackson, 20 are considered "major regulations," meaning the expected cost of compliance breaks \$100 million. Using the EPA's conservative estimates, these 20 rules will cost more than \$7 billion in one-time ...

[Stakeholders react to EPA fracking study, new agency chief](#)
[West Virginia Public Broadcasting](#)

At the request of Congress, the EPA started its hydraulic fracturing study in 2010, and final results won't be released until 2014. In December, an update was released which described 18 research projects underway to study hydraulic fracturing's impact ...
